

FRIDAY NIGHT OUTREACH

Volunteer Guidelines

1. Always stay with the group. During the outreach, never leave the premises without checking with Freedom Fire Staff first. We do not want anyone walking through the neighborhood by themselves. Whatever you are doing, always try to work pairs.
2. Please make sure your conduct is appropriate, such as dressing modestly. You are representing Jesus Christ and Freedom Fire.
3. Take initiative to befriend the children. Try to stay with the same kids through the evening – the play time, devotional, and meal.
4. Please do not make any promises to the children that you may not be able to keep.
5. Ladies, please try to keep the majority of your interaction with the girls, and men, please try to keep the majority of your interaction with the boys.
6. Please sign the clipboard for the Freedom Fire volunteer newsletter.
7. Please arrive at least 15 minutes before the meeting and be prepared to stay to clean up afterwards. Showing up early helps us in making assignments and preparing for the meeting. We can also use help cleaning up afterwards.

NOTE: Volunteers are invited to come to the Freedom Fire office after the outreach. The office is located at 2111 E. 13th Street – between Garfield and Brooklyn. We can provide a brief tour and overview of our ministry. This really helps new groups understand the bigger picture of all that Freedom Fire is doing in the community. If interested, notify your Site Leader and they will provide further instruction.

Thank you for your partnership! We are immensely grateful that you've chosen to give your time to our ministry.

If you have any questions, contact our Friday Night Coordinator, Manda Cacy
